Spring

Ideas for 4-5's

Communication, Language and Literacy

Superworm

Listen to the story 'Superworm' by Julia Donaldson. If you don't have a copy at home, you could listen online using the link below.

https://www.youtube.com/watch?v=7Jnk3XApKBg

Can you join in with the chorus? Perhaps talk about some of the words that your child might not know like 'lasso', 'well' and 'servant'.

Maths

Secret Number Game

Play the 'Secret Number' game. Say 'I am thinking of a number that is…' then add a clue for them to work it out for example:

- One more than 7
- One less than 5
- What you get when you add 6 and 4 together
- What you get when you take 2 away from 4

Physical

Salt Writing

Why not try salt writing? All you need is a tray or coloured plate with a lip, some salt and something to make marks with like a stick, paint brush or pencil.

Have fun making patterns, write your name or other words you know or draw a picture.

Emotional and Mental well-being

Spring Spotters

Look out of your window, go into your garden or on a short local walk to be 'Spring Spotters'.

How many signs that Spring has arrived can you see?
