A Closer Look Guide

To use Closer Look guides you should have a copy of the relevant Doorstep Walks, available for download at www.rotherham.gov.uk/prow

The Farmland Trail at Ulley Village

Doorstep Walk 7 – Just the Words

Some people may find the small print of the walks leaflets a little tricky to follow, or walk leaders may wish to have a handy, large print version of the walk to insert notes. We thought it would be useful to have a description only version of the walks to enable you to cut and paste, enlarge or remove text as you wish.

- 1 Start at the junction of Main Street and Turnshaw Road in Ulley village, with your back to the war memorial. Turn left and head along Penny Hill Lane out of the village, after a very short time you'll see a track (Carr Lane) on the opposite side of the road, carefully cross and head along the track.
- 2 Follow Carr Lane (Carr means marshy woodland or shrubland) as it narrows and heads into the countryside, after a while it passes some outbuildings on your left, just after these head left and cross into a field. This path is the first of several recently made permissive under the Countryside Stewardship Scheme . Head straight along the field edge, crossing the ditch half way along the field but staying straight.
- 3 Follow the path around the field edge and soon an opening appears on your right, cross the boundary onto Penny Hill Lane and cross carefully, entering the field opposite.
- 4 Turn right and follow the field edge (called a headland) as it heads left around the field and downhill. At the bottom of the

hill follow the path left in the valley bottom, admiring the lovely views North towards Morthen, Eventually you will reach a boundary hedge, head left uphill, staying on the field headland.

- 5 At the hilltop cross the boundary and enter Stocket Lane, follow the track to Penny Hill Lane. At the lane turn right, back into Ulley taking care on this short section of road and you will soon arrive back at the village
