

COMMUNITY GOVERNANCE REVIEW

RAVENFIELD PARISH COUNCIL

**LOCAL GOVERNMENT AND PUBLIC INVOLVEMENT IN
HEALTH ACT 2007**

TERMS OF REFERENCE

1. INTRODUCTION

1.1 Aims of Review

Following a request from Ravenfield Parish Council, Rotherham Borough Council (the Principal Council), has resolved to undertake a Community Governance Review pursuant to Part 4 of the Local Government and Public Involvement in Health Act, 2007, to consider:-

- (a) Whether to alter the area of the existing Parish of Ravenfield

1.2 Why undertake a Community Governance Review?

A Community Governance Review provides an opportunity for principal authorities such as Rotherham Metropolitan Borough Council to review and make changes to community governance within their area.

A Community Governance Review is a review of the whole or part of the District to consider one or more of the following:-

- creating, merging, altering or abolishing Parishes.
- the naming of Parishes and the style of new Parishes.
- the electoral arrangements for Parishes (the ordinary year of election; Council size; the number of Councillors to be elected to Council; and, Parish Warding).
- grouping Parishes under a common Parish Council or de-grouping Parishes.

The Government has emphasised that, ultimately, recommendations arising from Community Governance Reviews ought to bring about improved community engagement, more cohesive communities, better local democracy and result in more effective and convenient delivery of local services.

1.3 Scope of the Review

The Review will specifically consider:-

- (i) Whether to alter the area of the existing Parish of Ravenfield as set out on the attached Plan (Appendix 1).

The reasons stated for the proposed amendment to the boundary of Ravenfield Parish, which would also alter the boundary of Bramley Parish are as follows:-

“This is a petition addressed to Rotherham Metropolitan Borough Council under section 88 of the Local Government and Public Involvement in Health Act, 2007 (as amended by the Legislative Reform ((Community Governance Reviews) Order, 2015 (hereinafter referred to as “The Act”)

We the undersigned, request that Rotherham Metropolitan Borough Council change the boundary between Bramley and Ravenfield Parishes under Community Governance Powers granted to them under legislation. The boundary between Moor Lane South and Lidget Lane should be moved south to a line stretching from the southern border of site LDF0774 (Rotherham Local Plan) running from Moor Lane South eastward to Lidget Lane (identified as a red line on the map attached to the petition.

The request is made due to the change of use on LDF0774 to residential and the inevitable increase in population. Residents of the new housing will live in the community of Ravenfield and use Ravenfield village facilities. The current boundary would create an anomalous situation and be harmful to community cohesion.”

2. CONSULTATION

Before making any recommendations or publishing final proposals in line with legislative requirements, the Principal Council will take full account of the views of local people. The Principal Council will comply with legislative requirements by:-

1. Consulting Local Government electors for the area under review (both Ravenfield and Bramley parishes):
 - A Notice will be published in the relevant newspaper, on the Council's website and the Notice Boards of the affected Parishes. The Terms of Reference of the Review will be published on the Council's website with an opportunity for electors to make comment.
 - A copy of the Terms of Reference will be sent to the Clerks of the affected Parishes.
 - A leaflet summarising these Terms of Reference will be sent to all households in the affected Parishes.
 - Drop in sessions will be held in each affected Parish during early December 2019.
2. Consulting the Principal Council's Councillors representing the area affected by the Review:
 - Letters will be sent enclosing the Notice of Terms of Reference of the Review.
3. Consulting with the following: neighbouring parish councils, local MPs (John Healey and Kevin Barron), Rotherham CCG, SY Police and local businesses.
4. Taking into account any representations received in connection with the Review.

When taking account of written representations, the Principal Council is bound to have regard to the need to secure that community governance within the area under the review:-

- Reflects the identities and interests of the community in that area; and,
- Is effective and convenient

In order to ensure that this review is conducted transparently, as soon as practicable, the Principal Council will publish its recommendations and take such steps as it considers sufficient, to ensure that persons who may be interested in the review are informed of the recommendations and the reasons behind them.

The Principal Council will also notify each consultee and any other person or bodies that have made written representations, of the outcome of the review.
