

YOUR GARDEN WASTE COLLECTION SERVICE CALENDAR IS ENCLOSED

Thank you for subscribing to the garden waste collection service. Please find enclosed your calendar which tells you the dates your garden waste will be collected.

Your collection day and week can be found on the sticker enclosed. You will need to put the sticker on your bin as soon as possible. Please see the rear of the sticker for instructions on where to place it on your brown bin.

Please only put the following garden waste into your brown bin: grass cuttings, hedge clippings, leaves, weeds, plants, garden clippings, bark and wood shavings. Your bin will not be emptied if it contains any other materials including soil, turf, rocks, stones, sawdust, pet waste or food.

Please put your bin out before 7am on the day of your collection, and also ensure that your bin lid is completely closed. No side waste will be collected. You can order a second bin, if required, for £37.

There may be some circumstances, for example bad weather, where we are unable to empty your bin. Unfortunately, we won't be able to give you advance notice of this disruption but we will put details on the Council's website, and on Twitter and Facebook.

Full terms and conditions can be found at www.rotherham.gov.uk/garden-waste
