RMBC Response to ED/36 Inspector’s Suggested Re-wording of the Text to Policy CS32

1. The Council agrees with the suggested wording for the text of CS32. It is assumed that the intention is to include this within the Policy text, which the Council supports.

2. If the intention was that this should be within the explanatory text to the Policy then it is suggested that the text replaces paragraph 5.8.12 of the ‘Delivery’ section of the explanatory text for Policy CS32 as was introduced by Focused Change 146 (RSD/2).
