ADMISSION POLICY 2020-2021

In our church school we are tolerant of others and promote respect for the dignity and worth of each individual. We aim to nurture caring and self-regulating citizens.

We help each child to fulfil their potential physically, academically, socially, morally and spiritually, without fear of discrimination.

Introduction

Laughton All Saints' C of E Primary School is a Church of England Voluntary Aided Primary School in the Diocese of Sheffield. It is maintained by Rotherham Local Authority.

The school provides a distinctively Christian education for children aged 4 to 11 years.

Historically, Anglican schools were parish schools providing education for the community in accordance with the principles of the Church of England. Thus the majority of Sheffield Diocesan schools were established to provide education for the children of the parish within a Christian context. The two aims of being 'distinctively Christian' and 'serving the local community' are reflected in the school's admission criteria.

Laughton All Saints' is a Voluntary Aided Primary School in which the Governing Board is the Admission Authority and responsible for admissions. It is guided in that responsibility by the requirements of the law, the school trust deed, by advice from the Sheffield Diocesan Board of Education and its duty to the community.

This policy should be read in conjunction with the rest of this booklet.

The admission number for 2020-2021 is 15 and children will be admitted during the Autumn term prior to their 5th birthday. The Local Authority, Rotherham MBC, will coordinate in year transfers for our school in 2020/2021. Where parents wish to defer entry or request that the child attends part time, the request will be considered where it appears to be in the best interest of the child. All children will be admitted by the term following their 5th birthday – compulsory school age.

Please contact the school if you need help in completing the Common Application Form or Supplementary Information Form

A Geographical Information system is used which applies seed points as determined by Ordnance Survey. Measurements are taken from the seed point of the ordinary place of residence to the seed point of the school. Where the school has more than one seed point, the seed point closest to the geographical centre of the complex is used.

Tie Break

In the event of two or more children living equidistant from the school, the place will be decided by drawing lots. The first name drawn will be offered the place.
