

TODWICK RAMBLE No.1

Short, easy to follow and local

The full length of the ramble is just over 9km and depicted by red dots on the accompanying map. However, due to the routes proximity to the centre of Todwick it can be broken down into 3 short circular walks with the exit points highlighted by blue dots.

- The route provides a mixture of landscape contrasts principally between the rural farmland that surrounds Todwick and the pleasant Eastern urban fringe areas of the Parish of Wales.
- It also incorporates the three cul-de-sac sections of the old A57 highway that are rapidly being reclaimed by nature and now provide pleasant conditions for walking.
- Car parking during daylight hours is normally available within the Parish Councils Recreation Field situated on Goosecar Lane.

Responsible Walking

This walk uses just a few of our many rights of way to access and enjoy the countryside. A right of way is not owned by the council, it is a right to pass over private land. When you go out please remember that almost all the land you cross is in private ownership, and someone's livelihood will depend on the crops and livestock there. Our countryside is not just a beautiful place, but a working environment, please play your part by keeping it tidy for the people who walk and work there tomorrow.

Take a responsible attitude into the countryside, leave only footprints and take only photographs.

Follow the Country Code, happy walking!

How do I get there?

Todwick lies a short distance from Junction 31 on the M1. Take the A57 for approximately 1 mile towards Workshop. Todwick is immediately to the right of the roundabout.

Something to think about

Public Paths in Rotherham are clearly shown on the OS Explorer Maps Nos. 278 and 279. Why not pick up a copy at your local bookshop and devise your own walks.

Remember to keep a track of where you are in the description.

Follow the Countryside Code:

- Be safe - plan ahead and follow any signs
- Leave gates and property as you find them
- Protect plants and animals, and take your litter home
- Keep dogs under close control
- Consider other people
