We know how important it is to put people at the heart of everything we do. This is why we want to make sure we include people when planning our services.

If you want to help us to plan Adult Social Care in the future, there is a question at the end that asks for your contact details.

When we say “**We**” in the easy read and questions we mean Rotherham Council. What you tell us in this questionnaire will help to write Rotherham's Adult Social Care Plan in April 2024.
