Financial Information

The total income and expenditure of the on-street and off-street parking account for 2017 / 18 was as follows:

Expenditure £818,950

Income

Penalty Charge Notices	£234,608
Off Street Pay & Display	££517,116
On Street Pay and Display	£354,070
Permits	£219,587
Bailiffs	£21,222
Miscellaneous income	£314

Total Income £1,346,917

Net Surplus £527,967

Note: the surplus is derived from car parking charges, not from PCNs; the cost of employing the team of Civil Enforcement Officers is merely off-set by the income from penalty charge notices. In cases where PCNs remain unpaid beyond the statutory period the Council has a policy of registering the debts at the Traffic Enforcement Centre (TEC) at Northampton County Court; this is the Court which deals with all parking debt in England (outside London). Once a debt is registered the debtor is given a further 21 days to settle the debt before Enforcement Agents (formerly known as bailiffs) are appointed.

Parking Spaces

During 2017 / 18 the Council offered the following number of town centre parking spaces:

- Off street 1,251
- On street 361
