Dear Rachel,

Application for Designation as a Neighbourhood Area

Further to my letter of 29th November 2017 I wish to outline our reasons for believing we are a suitable relevant body to apply for a neighbourhood area to be designated. In accordance with Regulation 5 of the Neighbourhood Planning (General) Regulations 2012, below is a map detailing the area of the Dalton Parish (highlighted by the red line).

Dalton Parish Council wishes to encompass the whole of the Parish in our Neighbourhood Plan as we consider this to be appropriate for designation as a neighbourhood area as we represent the whole of the Parish and wish to engage the whole community in the Plan and ensure all areas are represented.

Section 61G of the Localism Act 2011 paragraph (2)(a) defines a 'relevant body' as a Parish Council, and paragraph (3)(a) states 'in the case of an application by a Parish Council, must be one that consists of or includes the whole or any part of the area of the Council': our application complies with both of these paragraphs. The proposed plan is likely to be called the 'Dalton Parish Neighbourhood Plan', although this is subject to formal approval (and therefore change) by the Neighbourhood Plan committee once this is established.
