The entire town needs regeneration especially the facades on the Laughton road shopping area. The top of Laughton Road needs to be pedestrianised and the Friday-Saturday markets be held here instead. In regards to other areas getting an appointment at either the doctors or dentists is hit and miss due to lack of parking and interior space, sometimes leading to long queues outside the surgery, lack of provisions for the younger/teenage generations (cinema, bowling alley, leisure centre etc) parents don't want their children to go to Rotherham unsupervised due to the recent allegations. The area around the indoor/outdoor market area are a disgrace and need clearing and finally a fully opened and manned police station is needed.

Q5. Do you wish to be notified of the Council's decision under Regulation 19 of the Neighbourhood Planning Regulation 2012 whether to accept the Examiners' recommendation? (please tick) . Yes, please notify me of the Council's decision
