Q1. To which document do your comments relate? SEA & Habitats Regulations Assessment Screening Report

Q2. Do you wish to? Make observations

Q3. Please provide your comments below making clear which part of the document you are referring to (specifying relevant paragraphs, tables, figures, boxes or appendices).

The Council's ecologist has previously commented on an earlier draft of this report as follows:

1.2.4 There are no SACs or SPAs in Rotherham. The nearest one does appear to be Birklands and Bilhaugh SAC, with the next nearest being Hatfield Moor SAC, Thorne Moor SAC and the Peak District moors SPA. In my opinion none of these are affected by activities within Dinnington and consequently the HRA is not applicable and consequently a SEA is not required (as far as I can tell).

Q5. Do you wish to be notified of the Council's decision under Regulation 19 of the Neighbourhood Planning Regulation 2012 whether to accept the Examiners' recommendation? (please tick) Yes, please notify me of the Council's decision
